CHICAGO & MID-ILLINOIS RIMS CHAPTERS

RISK MANAGEMENT CONFERENCE
AND EXHIBITION

SPONSORSHIP PACKAGE

November 12-13, 2018

The Chicago RIMS Chapter and the Mid-Illinois RIMS Chapter are excited to host the 2018 Chicagoland Risk Forum: Empowering Risk Management.

This year, we revisited our value proposition and have refreshed our commitment to our risk management community. We are committed to bringing outstanding educational content, thought leadership and networking experiences to our Chicagoland risk community, treasurers, and general counsel. We will connect them with YOU, our valued sponsors who are best positioned to provide meaningful educational experiences, state-of-the-art risk tools, and fresh ideas around risk and insurance challenges, old and new.

As we know, the Chicagoland area is rich with risk and insurance industry resources and a vast network of insurers, brokers, counsel, consultants and innovative vendors with expertise serving our constituency.

HOW DO WE SET OURSELVES APART?

You can help us empower our risk purchasers through meaningful participation and contribution to the city's premiere risk forum designed to assist our community in making purchasing decisions through focused content.

As we focus on our area risk managers, we are also renewing our commitment to you. We will continue to offer all of the opportunities you've seen in the past, including opportunities to speak at a conference session; to exhibit in conference booth space; to showcase your logo in various media; and to obtain a pre-conference attendee direct email list. However, this year we will also enhance the sponsorship experience by offering:

- **Pre-event social media pushes with your content**
- **Pre-event posting of one whitepaper on our conference website**
- **Additional opportunities for logo placement (conference swag, additional refreshment breaks)**
- **Post-event metrics around session attendance by attendee role in the industry.**

In addition, the event will take place on one floor, offering even greater and more consistent exposure to event attendees!

INDUSTRY LEADERS ATTENDING

The Chicago RIMS Chapter and Mid-Illinois RIMS Chapter will host more than 20 sessions on pertinent, relevant topics for over 400 top risk management leaders from the Chicagoland area. The Chicagoland Risk Forum will provide opportunities to learn, enhance business operations and connect with industry contacts. Sponsors and exhibitors will be able to talk with the decision makers that are already buying or evaluating products.

CUSTOM SPONSORSHIP PACKAGES

In addition to preset sponsorship packages, this year we will offer the opportunity to customize your own sponsorship package. You can now supplement a preset package with additional features, creating a sponsorship package specifically tailored to your goals for the conference and the manner in which you would like to market to the Chicagoland risk community. **If you do not see a sponsorship feature you would like or have questions regarding A La Carte, please contact Maggie Divarco at mdivarco@comcast.net. We are committed to making your sponsorship dollars work for you to the best of our ability.**

Join us in Empowering Risk Management, fulfilling our value proposition and making 2018 an enriching success for the Chicagoland risk and insurance community, the RIMS Chicago and Mid-Illinois Chapters, and for YOU!
